measles

My health

Teacher: Are you OK?

Student: No, I'm not. I have a headache.

Teacher: Oh, you have sore eyes, too. You should go home and rest.

Student: Yes, but we have one more class.

Teacher: Don't worry. I'll talk to your teacher.

Student: Thanks for your help.

Teacher: Let's go to the office and call your parents first.

Class, be quiet! I'll be back in a minute.

سلامت من

معلم: حالت خوبه؟

دانش آموز: نه، خوب نیستم. من سردرد دارم.

معلم: اوه شما چشمهات هم درد می کنه. باید بروی خانه و استراحت کنی

دانش آموز: بله اما ما یک کلاس دیگه هم داریم.

معلم: نگران نباش. من با معلم شما صحبت می کنم.

دانش آموز: برای کمک تان ممنونم

معلم: بیا برویم دفتر و ابتدا با پدر مادرت تماس بگیریم. بچه ها ساکت باشید من یک دقیقه دیگه برمی گردم.

اولین قدم در ایجاد یک گفتگو پرسیدن از احساس و حال فرد مقابله و وقتی احساس می کنیم که فرد یه مشکلی داره و یا حالتش معمولی نیست می تونیم از این عبارت استفاده کنیم:

are you all right? / آیا حالت خوبه؟

what's the matter? / موضوع چیه؟ [چی شده؟]

what's the problem? / مشکل چیه؟

what's wrong? / مشکل چیه؟ [چی شده؟]

بریم سراغ پاسخ دادن به این سوالات،

دو روش پاسخگویی وجود دارد:

I have ... (+health problem) or I've got...(+health problem)

مثال های زیر را بخوانید:

I have a sore throat.

I've got a runny nose.

He has a headache.

She has a toothache.

You have the flu.

I've got a cold. He has a backache.

I have a fever.

خوب! حال اگه کسی بهمون بگه که درد و مشکش چیه،نمیشه که بی تفاوت باشیم و بهتره نصیحتش کنیم که
!کاری رو انجام بده که به بهبودیش کمک کنه...حال چطوری نصیحتش کنیم؟!؟ کاری نداره

در روش اول مستقیم و به صورت امری نصیحتش می کنیم،مثال می تونیم بگیم:

You should get some rest

تو باید مقداری استراحت کنی

You should see a doctor

تو باید بری پیش دکتر

Go to the dentist

برو دندونپزشکی

در روش دوم به صورت غیر مستقیم و مطرح کردن پیشنهادمون در قالب یه سوال جلو میریم:

Why don't you get some rest?

چرا یه خورده استراحت نمی کنی؟

Why don't you see a doctor?

چرا پیش یک دکتر نمیری؟؟ (یه دکتر رو نمیبینی؟)

A. Match the pictures with the given phrases. Then work out their meanings.

					
a. headache	b. sore throat	c. running nose	d. toothache	e. sore eyes	f. stomachache

B. Put ✓ for what you do and ✗ for what you don't. Then pair up and compare your answers.

- 1 ☐ a) I have a headache.
☐ b) I have a toothache.

- 2 ☐ a) I have a stomachache.
☐ b) I have a backache.

- 3 ☐ a) I have a sore throat.
☐ b) I have sore eyes.

- 4 ☐ a) I have a running nose.
☐ b) I have a backache.

C. This is Sara's note about her grandparents. Read it and answer the questions.

Hi, my name is Sara. My grandfather is very kind. Sadly, he has some problems. He has the flu. He has a headache and sore throat. He should visit a doctor and get some rest.

My grandmother is very kind and nice. Sadly, she has some health problems, too. She has a backache. She can't walk well. She has bad toothache, too. She should go and see a doctor and dentist.

Lily: What's the problem with grandpa?

Sara:

Lily: What should he do?

Sara:

Lily: What's the matter with grandma?

Sara:

Lily: What should she do?

Sara:

E. Complete the following text about your grandfather and grandmother.

Hello! My name is My grandfather is Sadly, he has
 He should My grandmother is Sadly, she has
 She should I hope they get better soon.
